Before Departure

This year everyone will receive their own water bottle from us and you can refill it anywhere you want, because the tap water is drinkable all over the country! Don't use plastic bottles if you can and take care of the environment!

Arrival

Each arriving delegation will be welcomed at the airport by a volunteer and a member of the organizing team, who will assist them in reaching the shuttle buses provided by the airport transportation company.

Accreditation

Accreditation will take place on **July 14th starting from 10 AM** at the Competition office, located on the ground floor of the Ludovika Campus dormitory. We kindly ask each Head of Delegation to bring **the teams collected personal documents**. (ID / passport)

The accreditation card

With this card, you will be granted access to **all meal services** throughout the event. On the back of the card, you will also find your **Budapest pass**, which is valid for the entire week and allows unlimited travel on all forms of public transportation, including metro lines, buses, and trams.

You can also find a **QR code** at the back of your card, which will take you directly to the official website.
